

Welcome to Onekana Online Manual

Mobile Application

System Overview

Onekana Digital attendance is an application that allows teachers to digitally record pupils' class attendance. The application submits the data to an online cloud storage.

Organisation of the Manual

The user's manual consists of five sections:

- System Summary
- Getting Started
- Using The System
- Reporting

The **System Summary section** provides a general overview of the system. The summary outlines the uses of the system's hardware and software requirements, system's configuration, user access levels and system's behavior in case of any contingencies. **Getting Started section** explains how to get Digital Attendance and install it on the device. The section presents briefly system menu.

Using The System section provides a detailed description of system functions. **Reporting section** describes in what way information collected by the application are presented and how to access the information.

System Summary

System Summary section provides a general overview of the system. The summary outlines the uses of the system's hardware and software requirements, system's configuration, user access levels and system's behavior in case of any contingencies.

System Configuration

Digital Attendance operates on mobile devices with Android operating system. It is compatible with **Android version 5.1** and up. The application requires an Internet connection in order to save data to the cloud database, and also has an **offline functionality** to facilitate collection of attendance data without internet connection. **Offline mode works up to 30 days**. Data saved is visualised on a web dashboard accessible via any major Internet browser. After installation on the device, Digital Attendance can be used immediately without any further configuration.

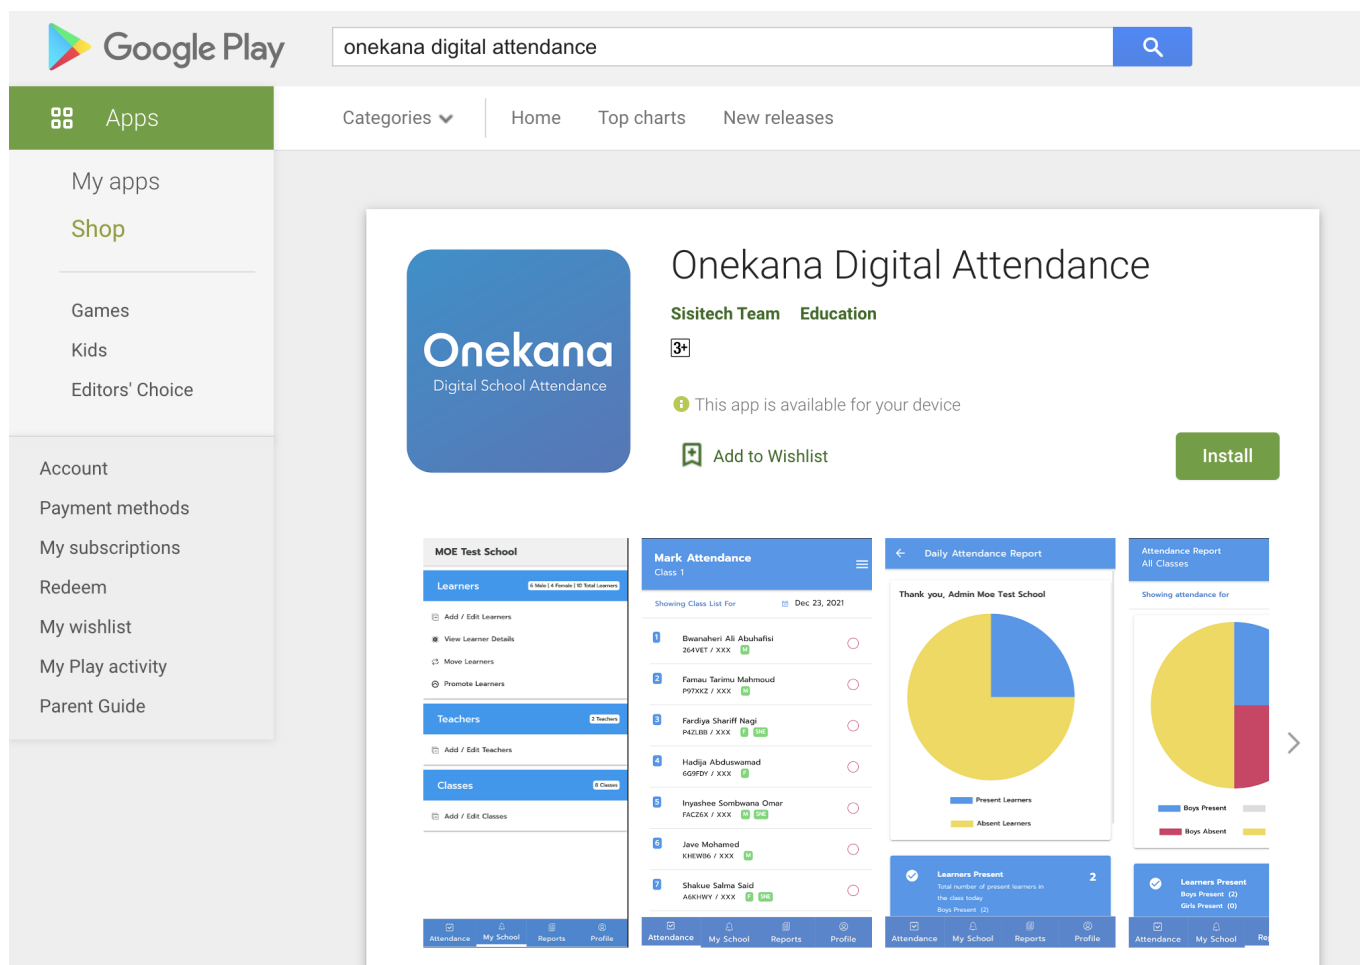

User Access Levels

Only teachers that have been registered into the system can use the application. For any assistance with credentials, kindly consult the headteacher in your school.

Getting Started

Installation

The Getting Started section explains how to install the Onekana Digital Attendance app on a device. To Download the mobile application, head to the Google Playstore on an Android device and search for "Onekana Digital Attendance". To access the application on the PlayStore, click [Onekana Play Store](#).

Login

The newest installation version currently available can be downloaded from the Google Store and is an .apk file, which should be installed on the device.

Login using a school's EMIS code or phone number and a password assigned to the teacher at installation level via the attached school's or teacher's email address. The teacher can then use these credentials to login.

Marking Attendance

1

Bwanaheri Ali Abuhafisi

264VET / 234

M

The attendance tab contains a list of learners with their name, UPI number / Admission number and an indicator of their gender or any special needs the learner might have.

A **green M** badge indicates a male learner, **green F** a female learner and a **green SNE** illustrates a learner with special needs.

Showing Class List For

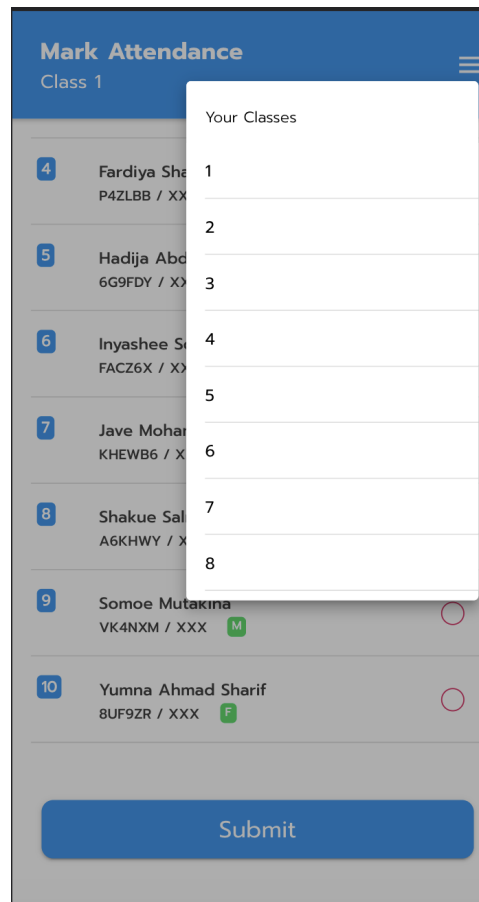

Feb 10, 2022

1	Ali Dennis 7438 / 003	M SNE	<input type="radio"/>
2	Ali Denis 10003 / 001	M SNE	<input type="radio"/>
3	Ali Dennis 10001 / 100	F SNE	<input type="radio"/>
4	Bwanaheri Ali Abuhafisi 264VET / 234	M SNE	<input type="radio"/>
5	Inyashee Sombwana Omar FACZ6X / 0012	M SNE	<input type="radio"/>
6	Somoe Mutakina VK4NXM / XXX	M	<input type="radio"/>

Submit

To mark a learner as present, click the red circle on the right against the learner's name to turn it to checked. Otherwise, not clicking the circle indicates that a learner is absent. After going through the list of learners in your class, click the **'submit'** button to complete marking attendance.

Classes Menu

On the top right, there's a menu icon with a list of classes. A teacher can switch to a different classroom and mark attendance for that class room.

Date Picker

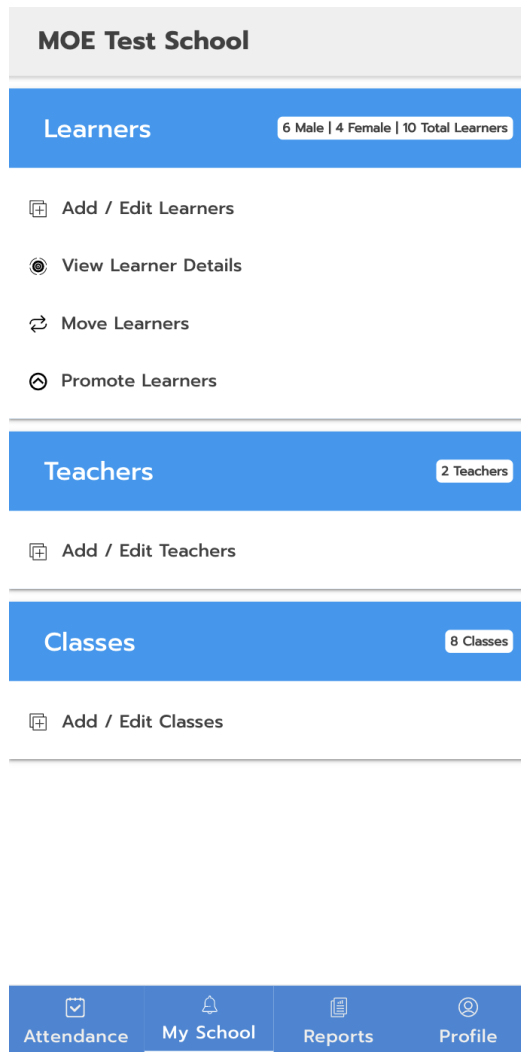

Change the attendance date by clicking on the calendar above the list of learners.

Daily Attendance Report

After marking attendance, a daily attendance report provides an overview of the marked learners status for that class. The report shows a chart of present vs absent learners and these numbers segmented by gender.

My School

The My School tab enables a headteacher to manage their school. Here, they can **Add / Edit Learners**, **View More Learner Details** and **Move / Promote Learners**. In this section you can also **Add / Edit Teachers** and **Add / Edit Classrooms** to a school.

Adding a Learner

A headteacher or an teacher admin can **add**, **edit** and **deactivate** a learner.

Click on the "+" button to add a new learner. The add learner form has a list of different form

inputs to fill as a teacher. Required fields are marked by a red *. The add learner form is divided into two parts :-

- Learner Details

Promote Learners

The interface for promoting learners is titled "Promote Learners" with a back arrow. It displays a list of four classes, each with a numbered badge, class name, learner count, and a "PROMOTE TO" button. A large "Promote Learners" button is at the bottom.

Class	Learners	Action
1 Class 1	6 Learners	PROMOTE TO
2 Class 2	11 Learners	PROMOTE TO
3 Class 3	2 Learners	PROMOTE TO
4 Class 4	1 Learner	PROMOTE TO

Promote Learners

Graduate learners to the next grade at the end of the year. This feature works to promote all learners to the next grade once. **Be careful** when promoting learners.

Teachers

Add Teachers

The "Teachers" interface shows a header with the title "Teachers" and a count of "2 Teachers". Below the header is a button labeled "Add / Edit Teachers" with a plus icon.

Teachers 2 Teachers

Add / Edit Teachers

As a headteacher / teacher admin, add a new teacher to your school and assign a class to mark attendance.

Fill the teacher details and submit the information by clicking the **Add Teacher** button.

Download Latest Class List

This enables a teacher to manually sync to the latest learners list in the school. Click on the **Download Latest Class List** button to sync with the latest list of student in your school.*** Do this incase you perform offline learner enrolment with different devices. ***

Help & Support

How do I reset my password?

In order to reset your password, click the forgot password button on the login page. Enter your school's EMIS code or your phone number and we will send a reset code to the email address attached to your school. Enter the reset code, new password and verify password and confirm to get your new login details.

How do I add a reason for absence to a missing learner?

To add a reason for absence for a learner, navigate to the Reports page and click the view absent list button. Under a learner, click the add reason for absence button and add one.

Access a list of frequently asked questions and a user manual with more information on how to operate the Onekana Digital Attendance System.
